8) The proposals now submitted for sanction are said to cost Rs 5772 p.a on a permanent basis: Mtg for creating a separate establishment for dealing with the applications for building licences will not help in an appreciable manner, but it means a heavy recurring expenditure.

9) In this connection, a statement showing the proposals for expenditure already sanctioned from 1.1.1945 and those submitted for sanction/which have pending in the secretariat may be called for to see that the recurring expenditure in this behalf is not on the increase in recent months, it is suggested that the proposals may be considered after the receipt of the special officer's report is received & reviewed by the Govt.

LEGAL REMEMBRANCER & SECRETARY TO THE GOVERNMENT
OF HIS HIGHNESS THE MAHARAJA OF MYSORE
LAW DEPARTMENT BANGALORE

SIR

I have the honour to state that, at present, one of the Range Officers of this Municipality is attending to the work relating to the grant of Building Licenses in addition to his work in the Divisions in the City As no separate clerk has been sanctioned for this Section, one of the clerks in of the Commissioner's Office has been deputed to work in the Lifensing Section The Section has no peons to serve notices Consequently, there is much delay in disposing of building license applications and notices to parties cannot be served within the prescribed time for want of hands

The appointment of a separate officer for the Licensing Section with the necessary staff is quite necessary to ensure efficient despatch work in the Section and prompt disposal of the license applications In this connection, the Municipal Engineer submitted proposals involving an annual expenditure of Rs 5,772/- The same were approved by the Managing Committee and Council at their Meetings held on 15-11-1944 and 15-12-1944, respectively The expenditure on this account during the current year will be met from the savings in the provision made in the current year's budget under D5 towards the salary of the two Assts. to the Municipal Engineer and necessary staff Due provision in this behalf will be made in the annual budgets in future

A copy of the Council resolution referred to above together with a copy of the Municipal Engineer's proposal and Statements in duplicate showing the details of the expenditure in this behalf are herewith forwarded for favour of obtaining sanction of Government thereto

I have the honour to be,

Submitted to the Municipal Commissioner As already explained by my predecessor, the work of the licensing section has increased to a very great extent and there is every likelihood of further increase as further extensions are added and large building programmes are taken up such as Housing Scheme etc It is not possible to dispose of the Licensing applications within the specified period with the present staff which consists of a Licensing Officer and a Clerk deputed from Head Office If Licensing Section is not strengthened, the Licensing work will accumulate and give room for public complaints With a view to dispose of the Licensing references promptly and efficiently the following proposals are made . There may be one Licensing Officer exclusively for the Building licenses and he should be direct subordinate to the Municipal Engineer The City may be divided into two Ranges, North and South for purposes of License and there may be one Overseer for each Range who will exclusively attend to the building licensing references They will work under the Licensing Officer Proposals in the light of these facts are submitted herewith for favour of placing before

ORDER No. L-3343-5-M-10 45-75

DATED - ~~Bangalore & Mysore~~ Bangalore, THE 27th OCTOBER 1945

It is reported that under the existing arrangement, one of the Range Officers of the Bangalore City Municipality is attending to the work relating to the grant of building licenses in addition to his work in the Divisions of the City without any separate ministerial and menial staff and that consequently there is much delay in disposing of applications for building licenses.

With a view to ensure efficient and quick despatch of work relating to the disposal of applications for building licenses, the Municipal Council have resolved at their meeting held on 15th December 1944, the appointment of a separate officer for Licensing work, with the necessary establishment at a cost of Rs.5,772/- ~~p.m.~~ per annum as shown in the accompanying statement.

In view of the increase in the number of applications for the grant of building licenses in the City, Government consider that there is real and urgent necessity for a separate Licensing Officer and are pleased to sanction the entertainment of an additional establishment, as shown in the accompanying statement, at an extra cost of Rs.5,772/- per annum, for the Licensing Section of the Bangalore City Municipality, for a period of one year in the first instance. The expenditure will be met during the current year from the closing balance in the budget of the Municipality.
